

EWAUNA ROWING CLUB, INC

MEMBERSHIP INFORMATION/INSTRUCTION FORM

CLUB DUES/PAYMENT SCHEDULE: Annual dues are effective for the calendar year (January 1st through December 31st). A single payment in the full amount needs to be received by January 31st, or two equal payments (totaling the full membership fees) must be received by January 31st and April 30th. For new members who join at an interim point in the year, dues for the remainder of the year can be paid starting at the date of joining (prorated in full for the year). Members who do not comply with payment(s) of dues will have their key cards deactivated, and membership will be terminated. Credit for up to \$50 off of an individual membership (\$100 off family membership) will be accepted for volunteer hours worked the previous calendar year (2-3 hours = \$10 credit). A \$25 recruitment bonus is offered as a credit towards dues to any member that recruits another individual(s) that joins the club at full membership level.

LIABILITY FORMS: The club waiver “release of liability” form is included in the membership packet. These forms must be signed and returned before your membership application can be processed and your “key card” to the Ewauna Rowing facilities issued. Also, the club requires a verification of swimming ability. Please read, sign, and return both forms with your membership application. Returning members need only to sign the release of liability form. Additionally, a USRowing Liability form is required for each club member and needs to be updated annually to maintain coverage under the Club’s insurance policy

PRIVATE BOAT STORAGE: Only current members of the Ewauna Rowing club may store their boat in the boathouse. Any member who chooses to store their privately owned boat in the boathouse will be charged an additional \$50 per seat each year. These fees will be due by January 31st. Prorated rates are available only to new members who join after January 1st.

TRIAL MEMBERSHIP: Instruction on handling equipment, safety issues, and three courtesy rows. A liability waiver form must be signed and on file. Punch cards are also available for those people that do not wish to join the club at full membership. A punch card allows a given number of rows at regularly scheduled club rowing times, but does not include access to the boathouse (key card or door code) except at those times when regular club members are present.

SELF-PURCHASED (DONATED) MATERIALS/ITEMS: All members who have self-purchased materials/items for the Ewauna Club may fill out a tax deductible form for their own tax purposes. This form along with a copy of the receipt must be submitted to the current club treasurer. Any member with prior approval may opt to be reimbursed for the cost of the material/items.

GENERAL SAFETY POLICY: It is the policy of the club that whenever club-owned rowing equipment is on the lake, there must be two boats on the water. This can be two shells, or a shell and the safety launch boat. You do not have to be a club member to operate the safety launch (a spouse or friend can drive the launch), but the operator must have a valid Oregon Boat Operator Safety card. The red safety bag (containing PFDs and other safety equipment) must be carried in the boat at all times in order to meet Oregon/Klamath County requirements. Any violations of Oregon/County safety policy are the sole responsibility of the boat operator – the rowing club will not cover violations of safety/boating regulations that are the responsibility of the operator.

PARK RULES AND REGULATIONS: The Jim Kerns crewhouse is located on City of Klamath Falls – City Parks property, and as such, falls under the regulations imposed by the Parks Board. There is no allowance for consumption of alcohol within the park (including the boathouse) unless a special permit has been obtained.

Rowing club members should park in designated (marked) parking spots, avoiding the handicapped spaces unless you have a valid placard. Single vehicles should also avoid parking in the lot next to the boat launch, as these spaces are reserved for vehicles towing boat trailers.

EQUIPMENT, DOCK AND BOATHOUSE MAINTENANCE: It is the responsibility of all club members to avoid damaging club equipment and maintain the equipment in usable condition. All rowing-related equipment is expensive to replace – please treat it with care. Boats should be left in clean condition inside and out, and waxed when necessary to maintain a clean exterior. Any breakage or wear to boats, oars or ergometers should be reported to a member of the executive committee immediately. Boats should be towed off after leaving the water, and if there is excessive soiling, rinsed and dried. Oars generally do not need cleaning, but occasionally do get dirty and should be rinsed and hung on the racks to dry. It is the responsibility of club members to check the boat each time you row and make sure that riggers, shoes, slides, seats, etc., are secured and operational. Check screws, heel ties and seat wheels – report any problems to the executive committee.

The rowing club owns and maintains the two wooden docks that are in the lake. These docks are heavily used and abused by the general public, and are in need of constant upkeep. Screws for loose boards are available in the supply lockers, as well as nails that can be used to affix the rubber edging. If you notice very loose boards or loose rubber edging, please try to fix the problem or bring it to the attention of an executive committee member so that it does not manifest into a safety issue, or result in a dock coming unhooked from the shoreline.

General cleanliness in the boathouse is an ongoing battle. Birds, insects and weather all bring debris and soil into the boathouse and onto equipment. Please be vigilant of birds that are trying to nest so that the initial stages of a nest can be knocked down before eggs have been laid. Sweeping, vacuuming, mopping and dusting are all activities that can be performed at any time by all members. Taking just a minute here or there to sweep up around the doors or wipe up around the bathroom keeps the boathouse looking clean and tidy. Please make an effort to put equipment, tools, towels and other items back in their proper storage place to reduce clutter and make cleaning easier. There are boxes for both clean and dirty towels – it is appreciated by all when clean towels are available, so if you can run a load of dirty towels through your washing machine and bring them back clean please do so.

Equipment maintenance and cleaning work days are scheduled several times a year in order to close up the boathouse for winter and get it ready at the start of the season in the spring. Please attend these work days and participate in the upkeep of our wonderful facility!

MEMBER MEETINGS: Member meetings are held monthly for most of the year, usually on a set day/time each month for the entire rowing season. Guidelines for meetings and election of executive members are found in the club bylaws.
